This is an application for coverage only. No contract for coverage will exist until Community Care Health has completed its review and communicated to the business applicant or the applicant's broker that the application has been accepted and a group health plan contract/group policy will be issued.

All groups may be subject to a recertification process. Recertification is done to ensure that groups meet all Community Care Health requirements and those set forth in the California Health and Safety Code and the Affordable Care Act.

Notice: California law prohibits an HIV test from being required or used by health care service plans/health insurance companies as a condition of obtaining coverage/health insurance coverage.

#### 16: FOOTNOTE INFORMATION

- <sup>1</sup>The employer retains all COBRA administrative responsibilities (such as notifying qualified beneficiaries of COBRA rights and processing COBRA elections) but delegates to Community Care Health, the following clerical functions: billing Cal-COBRA members for applicable premiums (the employer authorizes Health Plan to add an administrative charge for this service), and terminating Cal-COBRA members for nonpayment of Cal-COBRA premiums or for expiration of the expected time limit that the employer specifies for Cal-COBRA coverage. If you use a Third-Party Administrator (TPA), please contact your Community Care Health representative.
- <sup>2</sup> For more information about Employer Shared Responsibility, see section 498O(H)(C)(2) of the Internal Revenue Code.
- <sup>3</sup> ERISA is a federal law that sets minimum standards for employee benefit plans established by private employers and employee organizations. Many group health plans are subject to ERISA, although government and church plans generally are not. If you're unsure of your group health plan's ERISA status, we recommend that you consult with your financial or legal advisor before responding.

I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure, or the ERISA claims procedure regulation, and any other claims that cannot be subject to binding arbitration under governing law) any dispute between myself, my heirs, relatives, or other associated parties on the one hand and Community Care Health, any contracted health care providers, administrators, or other associated parties on the other hand, for alleged violation of any duty arising out of or related to membership in Community Care Health, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Evidence of Coverage.
